

# Pre-Test Driving Checklist

Smart Driving Academy

- 1 Mirrors before signal, speed change and position change
- 2 Clear observation at junctions and roundabouts
- 3 Smooth clutch, brake and steering control
- 4 Correct road position and lane discipline
- 5 Safe progress without rushing
- 6 Manoeuvres practised calmly
- 7 Know common test faults and how to avoid them

Training note: use this as a discussion guide. Replace with company-specific rules where needed.
